GOVERNMENT HOUSE
QUEENSLAND

Health Safety Protocols at Government House

As we navigate the continued social distancing requirements resulting from the COVID-19 pandemic, the health and safety of the Governor, staff and all visitors to Government House remains of the highest priority.

Entry to Government House is subject to all guests following the health and safety protocols outlined in this document. Guests who are unwilling to comply with these protocols will be unable to enter the Government House Estate.

Prior to arriving at Government House

- Please stay at home if you feel unwell.
- Each guest attending an event is required to provide two forms of contact details (phone and email or residential address) for contact tracing purposes.
- Please comply with the latest health advice issued by the Queensland Government.

On arrival at Government House

- Each guest will be required to comply with the Government House COVID-19 measures, which include temperature testing as required.
- Hand sanitisation stations are positioned around the Government House estate for your safety and use.
- Please maintain a physical distance of at least 1.5 metres from other guests and staff.
- Please refrain from shaking hands or any other physical contact.

The Office of the Governor thanks you for following these health and safety protocols and we look forward to welcoming you to Government House.
